To determine a Grade Point Average (GPA) calculation – see the Grade Point Average Policy. GPA's shown on an Official Academic Transcript may be recorded as:	
Career GPA	Summation over all attempts at all courses over all trimesters while the student has been enrolled at a particular career level (undergraduate or postgraduate). This summation is cumulative across programs if the student transfers between programs. The summation is cumulative when a student graduates from a program, and subsequently enrolls in another program.
Program GPA	Summation over all attempts at all courses over all trimesters while the student has been enrolled in the particular program.
